We love to eat. **We** love to cook for people who love to eat even more. **We** follow century's old guidelines & techniques in making your pizza. **We** make our dough daily with **non-gmo** Caputo "00" flour, water, natural yeast & sea salt. **We** use only imported San Marzano tomatoes and sea salt in our pizza sauce. **We** make our mozzarella fresh, every day. **We** bake your pizza for 80 seconds at 850°F in our handmade 7,500-pound, Stefano Ferrara brick oven imported from Napoli. **We** use local ingredients whenever possible. **We** butcher all our own meat & fish & make our own sausage & pancetta. **We** cure & cold smoke our smoked salmon. **We** make all our desserts and gelati. **We** don't have a freezer. (ok, actually **We** do, but it is tiny and only holds our house made gelati & sorbetti.)
